**ACKNOWLEDGMENTS** 

The euphoria and satisfaction of the completion of the project will be incomplete without

thanking the personalities responsible for this venture, which would not have been a reality.

I offer my sincere thanks to Dayananda Sagar College of Engineering, Bangalore for

providing all kind of facilities to carry out my project work.

I am grateful to **Dr. B.R Lakshmikantha**, Principal, DSATM for his cheerful support. I am

especially grateful to Dr. C. Nandini, Vice principal & HOD, Department of Computer

Science and Engineering for his continuous encouragement.

I express my deep sense of gratitude and profound feeling of admiration to my beloved college

guide Ms. Shylaja. B, Asst. Prof., Department of Computer Science and Engineering for his

valuable suggestions, expert advice, unending support and constant guidance that helped me in

completing the project work successfully.

I extend my utmost gratitude and admiration to my Parents, Friends and College staff for their

encouragement, inspiration and support which made this work a reality. Finally I thank all those

who have directly or indirectly helped me to complete my Project successfully.
